

## Cape Hardy Port Development FINAL CALL TO REGISTER A PRELIMINARY INTEREST

Regional Development Australia Whyalla and Eyre Peninsula (RDAWEP), on behalf of Iron Road Limited, extend a final call to hear from parties interested in utilising the proposed port facilities at Cape Hardy for import and export purposes. Service providers essential for general port operations are also encouraged to register. Cape Hardy will be the only Cape Class bulk commodity export facility in South Australia and is situated 7km south of Port Neill on the Eyre Peninsula. The Port is designed to support third parties and able to accommodate primary producers (grain and mineral) and various other businesses, maximising benefits to the region. To request a non-binding 'Registration of Preliminary Interest' document, contact Dion Dorward, CEO RDAWEP, and become part of this exciting opportunity.

Dion Dorward  
Chief Executive Officer, RDAWEP  
89 Liverpool Street, Port Lincoln 5606  
Telephone: (08) 8682 6588
